Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) to (c) Out of 589 Jawahar Navodaya Vidyalayas (JNVs) functional as on date, 60 Vidyalayas are functioning from temporary sites provided by the State Governments. All these Vidyalayas have been provided other basic infrastructural facilities by the Navodaya Vidyalaya Samiti (NVS). Out of 60 JNVs functioning from temporary sites, construction works have been sanctioned in 49 JNVs while 04 JNVs are earmarked for construction under PPP mode. In respect of remaining 07 JNVs, suitable land is yet to be provided by the concerned State Governments. In case of buildings under construction, the NVS is pursuing the matter with the concerned construction agencies for early completion of assigned construction works so that these Vidyalayas may be shifted to their permanent sites. In case of Vidyalayas needing sites, the matter is being pursued with the concerned State Governments for providing suitable land in favour of the Samiti. A statement showing the amounts sanctioned and released (State-wise) for construction work and the current status of JNVs functioning at temporary sites is annexed.
